

Spectral Noise Logging Tool = SNL

Deployment	Borehole	 (courtesy of TGT)
Log Name	SNL	
Math Symbol	N_f	
Measured Property	Acoustic noise	
Sensor Type	Quartz crystal	
Units		
SI	dB SPL	
Oil Metric	dB SPL	
Oil Field	dB SPL	

Applications

- Locating borehole and behind-casing flow
- Assessing formation pressure in flowing zones
- Leak Detection
- Measure borehole flowrate
- Locating fracture flow
